

LIFT AWAY

Traffic Lane Cleaner

LIFT AWAY is a powerful blend of special surfactants and is formulated to quickly penetrate and lift out grease and grime. It quickly loosens and emulsifies a variety of soils from both natural and synthetic fibers. Lift Away can be used alone or as a direct spray on traffic lanes and other soil build up areas. It may also be used as a booster for rotary and extraction cleaning methods. Besides cutting through and suspending the toughest soils for fast removal, this solution is non-flammable and is economical due to its high dilution rate of 3 ounces per gallon.

USE ON

- Carpets
- Traffic Lanes
- Rugs
- Mats
- Furniture
- Cloth Wall Panels
- Auto Interiors

USE IN

- Schools
- Hospitals
- Churches
- Country Clubs
- Athletic Clubs
- Restaurants
- Hotels/Motels

USE FOR

- Grease Shots
- Food Stains
- Coffee Stains
- Oils Stains
- Mud Stains
- Pet Stains
- Vomit Stains

DIRECTIONS FOR USE

Remove all dry soil by vacuuming first.

Traffic Lane Prespray: Always dilute with water before use. Mix in appropriate container for application as follows:

For heavy soil.....dilute 10 to 1 (13 oz./gallon of water)

For moderate soil.....dilute 20 to 1 (6 oz./gallon of water)

For light soil..... dilute 40 to 1 (3 oz./gallon of water)

Apply at the rate of 50-100 sq. ft. per gallon of diluted solution depending on the nap and soil conditions of the carpet.

As a Booster: This product may be added to other cleaning agents to increase their activity.

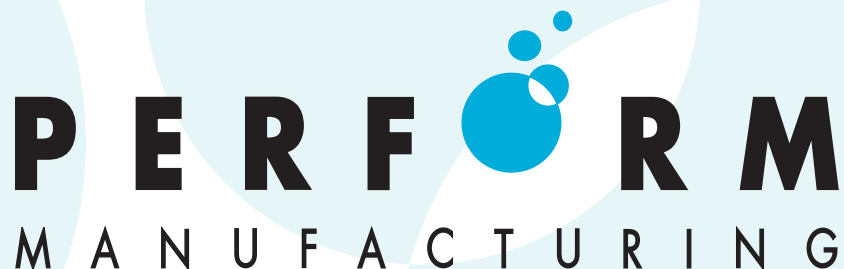

For rotary dry foam or extraction "Boost":

Heavy soil.....dilute 10 to 1 (13 oz./gallon of other diluted cleaner)

Moderate soil.....dilute 20 to 1 (6 oz./gallon of other diluted cleaner)

Light soil.....dilute 40 to 1 (3 oz./gallon of other diluted cleaner)

For best results, allow this product to emulsify soil for 3 to 5 minutes and clean with normal methods.
