ALL PURPOSE CLEANERS

CODE	PRODUCT	DESCRIPTION	PKG
1050	Due All <i>Non-Butyl High Performance Detergent</i>	Due All is a non-butyl detergent that will out perform every all-purpose cleaner on the market today. It is the perfect choice for any cleaning task on water safe surfaces. This product is nontoxic, nonflammable, noncorrosive, biodegradable, and does not require protective clothing to be worn. It can be applied by mop and bucket, spray & sponge applications, or it may be used in an automatic scrubber. Highly concentrated, Due All can be diluted up to 256 to 1. pH 10.5	4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal
1100	Hi Foam <i>Super Concentrate Foaming Detergent</i>	Hi Foam is an advanced blend of biodegradable surfactants and detergents that leaves no film or residue and is free rinsing. The thick foaming action clings to vertical surfaces to allow maximum contact time. Hi Foam contains no acid or abrasives and is user friendly. This product can be applied through foaming equipment, tank sprayers, mop and bucket, even scrubbing machines. Use on any water safe surface. pH 9	4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal
1150	See Thru <i>Hard Surface Cleaner/Protectant</i>	See Thru is perfect for modern, hard surfaces that require specialized cleaning and polishing. Its unique, lemon-scented, anti-static formula utilizes a special polishing agent that leaves an invisible, protective shield on all hard surfaces. This shield actually repels airborne dust and helps neutralize static charges without streaking, clouding, or fogging. Safe to use on Plexiglas, Lexan, poly carbonates, and other acrylic surfaces. It is also excellent for CRT's, videos screens, mirrors, stainless steel, glass, Formica, chrome, all plastics, and a whole lot more! pH 10.5	12 x 1 qts 4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal
1200	Blue Wonder <i>Glass & Window Cleaner</i>	Blue Wonder was designed as a glass cleaner, but is great for all hard surfaces. Not only does it quickly penetrate dust, smoke, grease, and grime on glass, windows, and mirrors, it is also excellent for cleaning stainless steel, laminate, plastic, porcelain, and chrome. This is a non-streaking, non-smearing and non-abrasive formula that is fortified with ammonia for extra cleaning power. pH 10.5	12 x 1 qts 4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal

ALL PURPOSE CLEANERS

CODE	PRODUCT	DESCRIPTION	PKG
1250	Brilliance <i>Stainless Steel Cleaner & Polish</i>	Brilliance is a water-based oil emulsion that removes smudges, fingerprints, water spots, and light grease deposits without leaving a greasy film. It forms a thin, satin-sheen finish that resists water marks and unsightly fingerprints. It is excellent for polishing and maintaining stainless steel equipment, machinery, tanks, outside building trims, etc.	12 x 1 pts
1300	Neutral 7 <i>Neutral Cleaner</i>	Neutral 7 is a 100% synthetic detergent and has been developed to compliment the technology of today's super-high-gloss floor finishes. When used as directed, it will thoroughly wet, emulsify, and suspend soil from highly polished floor surfaces without attacking the gloss of the floor. It is guaranteed never to dull, haze, or leave a film. pH 7.5	4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal
1350	Super-Clean <i>Concentrated Do All Product</i>	Super-Clean is a high-performance detergent that is the answer to your every day cleaning needs. Super-Clean is highly concentrated and versatile making it an economical solution for any facility. This product can be diluted up to 256 to 1 and is safe for use on any water safe surface. Super-Clean will not harm floor finishes and can be applied using mop and bucket, spray n' wipe and sponge applications. Truly one product to do all your cleaning.	4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal
1400	WOW <i>Everyday Multi-Purpose Cleaner</i>	WOW is an environmentally safe and user friendly cleaner for every day use. Wow contains no solvents, ammonia or harmful chemical components. It is safe for use on any water safe surface. Wow is quick drying, leaving surfaces streak and residue free. Wow contains 100% "Green Technology" approved ingredients; Wow is not only safe to use on any surface, but also safe for the user and the environment.	4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal

CARPET CARE

CODE	PRODUCT	DESCRIPTION	PKG	
2050	Spot All <i>Instant Spot & Stain Remover</i>	Spot All is a spot, stain, and odor remover that is different than products commonly found on the market today. It is formulated to be non-flammable and free of chlorinated solvents. Spot All is specially designed to be effective against all types of stains including oils, ink, food stains and many other difficult spots on carpets, rugs and upholstery. Additionally, its deodorizing properties destroy malodors at their source. pH 8.5	12 x 1 pts	
2100	Royale <i>Carpet Deodorizing Powder</i>	Royale is a unique multi-action formula that eliminates those hard to remove odors in carpet that are caused by smoke, pets, and mildew. It freshens the room with a distinctive long lasting fragrance. Use every time you vacuum for a clean, fresh room.	12 x 2 lb	
2150				<i>Lemon</i>
2160				<i>Bouquet</i>
2170				<i>Breeze</i>
2200	Extract <i>Low Foam Extraction Cleaner</i>	Extract is a blend of detergents specifically designed for use in steam and hot water extraction-type carpet cleaners. It quickly cuts through soil and greases while instantly brightening carpet fibers leaving carpet and upholstery looking like new. This highly concentrated formula has a dilution rate of 1/2 ounce to 2 ounces per gallon. pH 12	4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal	
2300	Lift Away <i>Traffic Lane Cleaner</i>	Lift Away is a powerful blend of special surfactants and is formulated to quickly penetrate and lift out grease and grime. It quickly loosens and emulsifies a variety of soils from both natural and synthetic fibers. Lift Away can be used alone or as a direct spray on traffic lanes and other soil build up areas. It may also be used as a booster for rotary and extraction cleaning methods. Besides cutting through and suspending the toughest soils for fast removal, this solution is non-flammable and is economical due to its high dilution rate of 3 ounces per gallon.	4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal	

DRAIN CLEANERS & MAINTAINERS

CODE	PRODUCT	DESCRIPTION	PKG
3050	Ream <i>Granular Drain Opener & Maintainer</i>	Ream contains unique citrus scented granules that clean and maintain drains. This thermo-chemical drain line opener and maintainer destroys the main causes of slow moving and blocked drains (hair, soap scum & slime); therefore, it eliminates many other debris from also becoming tangled, matted, and trapped. Simple and safe to use in pipes 2" or less. pH 14	12 x 1.25 lb
3100	Drain Free <i>Liquid Non-Acid Drain Opener</i>	Drain Free is a liquid, non-acid drain opener with a new and improved formulation of potassium hydroxide and other blended chemicals formulated specifically for cleaning clogged and slow flowing drains. Effective for clearing hair, uric salts and cold-water slime while not harming pipes fittings or septic systems. pH 12.5	12 x 1 qts 4 x 1 gal 5 gal 20 gal 35 gal 55 gal
3150	Blaze <i>Mainline Sewer Maintainer</i>	Blaze is a powerful mainline sewer maintainer that is activated by water. When water is mixed with Blaze it creates an exothermic reaction which generates considerable heat and agitation. With its metallic prills, Blaze will dissolve grease, fats, paper, rags, and other protein and carbohydrate matter, as well as disintegrate cellulose and small tree roots. An excellent preventative maintenance product that will save time, money and labor. For pipes larger than 2" in diameter, pH 13	50 lb
3200	Bac-O-Matic <i>Waste Liquefier & Odor Eliminator</i>	Bac-O-Matic is a ready-to-use blend of cultured live bacteria and special bio-active solubilizing agents formulated with extremely effective, instant odor controlling ingredients. It immediately activates drain lines, grease traps, septic tanks, sewage treatment systems, and trickling filters safely eating away the waste. Produces instant odor control in garbage and waste receptacles, porta-toilets, carpets, and digests uric salts on floor tiles around toilets and urinals in the restroom. Billions of live bacteria per ounce. pH 8	12 x 1 qts 4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal

DRAIN CLEANERS & MAINTAINERS

CODE	PRODUCT	DESCRIPTION	PKG
3250	Attack <i>Bacteria Reinforced Enzymes</i>	Attack is a highly concentrated synergistic blend of bacterial strains and a fortified enzyme system that rapidly breaks down grease, fat, proteins, cellulose and other complex organic materials. Great for use in grease traps, kitchen sinks, garbage disposals, septic tanks and bathroom drains. Contains no harsh acids or caustics and is environmentally safe. pH 7.5	4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal
3300	Enz-O-Matic GP <i>General Purpose Digestant</i>	Enz-O-Matic GP is a general purpose powder digestant. This product contains a powerful blend of anaerobic and aerobic cultures designed to digest and liquefy organic waste quickly and without odors. The natural enzymes break down proteins, starches, animal and vegetable fats, oils and cellulose (paper) to create the best environment for waste digestion.	12 x 1 lb 25 lb 50 lb
3350	Enz-O-Matic GT <i>Grease Trap Digestant</i>	Enz-O-Matic GT is a powder grease trap digestant. This special blend of bacteria cultures and lipase enzymes designed specifically to attack the build up in grease traps. When used regularly, it will prevent clogs and reduces the frequency of manual clean out.	12 x 1 lb 25 lb 50 lb
3400	Enz-O-Matic ST <i>Sewer Treatment Digestant</i>	Enz-O-Matic ST is a powder sewer treatment digestant. This special blend of bacteria and enzymes produce large colonies of beneficial bacteria for use in sewage treatment plants. Treated regularly, it will reduce BOD and COD faster, enabling the plant to treat higher volumes of waste and meet stringent effluent quality requirements.	12 x 1 lb 25 lb 50 lb
3450	Grease Away <i>Grease Trap Degreaser & Deodorant</i>	Grease Away is distilled from natural, organic plant material and is an exclusive formula designed to capture heavy loads of fats, grease and oils. After it captures them, it emulsifies them into a free-flowing liquid. This product keeps grease traps and sewage plants clean, deodorized, and free-flowing. Grease Away forms a blanket on the top of the water as it captures greases and oils. Regular use of this product will greatly reduce the frequency of manual cleaning.	4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal

FOOD SERVICE

CODE	PRODUCT	DESCRIPTION	PKG
4050	Break Through <i>Deep Cleaning Tile & Grout Cleaner</i>	Break Through is a fast-acting, foam cleaner that can be used on all types of hard tile surfaces and grout. It contains a special blend of organic, phosphoric acids that effectively remove body oils, soap scum, and mineral deposits in shower areas, restrooms, pools and spas. This product is also effective in removing heavy build-ups of kitchen greases found in food service areas. In addition, it restores quarry tile to its original, porous condition and increases the slip resistant qualities of the tile. pH 14	4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal
4100	Easy <i>Foaming Decarbonate</i>	Easy is a fast acting remover of baked-on fats, greases, proteins, and carbohydrate residue of animal and vegetable origins. Its unique formula allows the foam to cling to vertical surfaces for virtually unlimited contact time without dripping. This allows it to penetrate and loosen burnt-on soils so they can be wiped off and rinsed clean. Easy is non-toxic, non-flammable and there are no harmful fumes. pH 13.5	12 x 1 qts 4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal
4150	Gruff <i>Mild Acid Detergent</i>	Gruff is a concentrated blend of acids and detergents which removes rust, lime and scale from all metals and hard surfaces. Besides being designed to remove soap scum and body oils from shower stalls, restroom floors, and swimming pools, this product is also formulated to remove water minerals and lime carbonates. This mild acid detergent cleans and brightens aluminum, magnesium, stainless steel, copper, and chrome. In addition, it can also be used to prepare steel or aluminum for painting pH 1	4 x 1 gal 5 gal 20 gal 35 gal 55 gal
4175	One & Done <i>No Rinse Floor Cleaner</i>	One & Done is a game changer for cleaning kitchen floors. Traditionally heavy alkaline products have been used to clean kitchen floors leaving behind fats, oils and greases trapped in the pores of the tile and grout. One & Done is a pH neutral formula utilizing grease cutting surfactants combined with special non-pathogenic, enzyme producing bacteria. After you finish cleaning the surface, One & Done will continue to breakdown and digest the fat, oil and grease left behind in the pores even after the floor is dry.	4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal
4250	Sudze <i>Hand Dishwashing Detergent</i>	Sudze is a neutral pH, dishwashing detergent and specially designed for institutional and restaurant use where fast grease emulsification and long-lasting suds are a must. Ideal for cleaning heavily encrusted pots, pans, and dishes. This product is also excellent for hand washing delicate fabrics such as rayon, silk, nylon, and Dacron. pH 9.5	4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal
4300	Extreme <i>Cold Storage Cleaner</i>	Extreme is a hard-working, ready-to-use floor, wall, and equipment cleaner that removes dirt, grime, fat, and grease deposits from hard surfaces. It can be used in all cold storage and freezer areas that have subfreezing temperature extremes of -44 degrees F. pH 7.5	4 x 1 gal 5 gal 20 gal 35 gal 55 gal
4350	Prime <i>Heavy Duty Foaming Degreaser</i>	Prime is specially formulated to be used in all food processing areas to quickly remove all types of animal fat, grease, vegetable oils, blood, and other problem soils. After rinsing, the surfaces are film free and odorless. Prime is completely biodegradable and is authorized for use by USDA. pH 12.5	4 x 1 gal 5 gal 20 gal 35 gal 55 gal
4400	Deluxe <i>Deep Fryer Boil-Out</i>	Deluxe is a heavy duty high alkaline detergent formulated to meet the toughest cleaning tasks. Deluxe has excellent cleaning capacity and high soil, fat and grease tolerance. Solutions last longer to give greater economy than ordinary cleaners. Deluxe is excellent for use on rotisseries, deep-fat fryers and steam jacket kettles.	12 x 1 qts 4 x 1 gal 5 gal 20 gal 35 gal 55 gal

INDUSTRIAL CLEANERS

CODE	PRODUCT	DESCRIPTION	PKG
6050	Alumi-Brite <i>Aluminum Cleaner & Brightener</i>	Alumi-Brite is specially formulated to instantly remove soil, grease, oxidation, and corrosion from aluminum surfaces. It cleans and brightens instantly; therefore, it's great for use on aluminum, trucks, buses, screens, trailers, airplanes, and window trim. Just apply and rinse. Can be used for preparation before painting. pH <1	4 x 1 gal 5 gal 20 gal 35 gal 55 gal
6100	Charge <i>Acid Cleaner & Delimer</i>	Charge dissolves excess mortar, concrete, lime and mineral deposits. Removes rust, scale, and corrosion. Excellent for eliminating uric salt build-up and soap scum from tile and grout. Contains rust inhibitors and is highly concentrated - can be diluted up to 20 to 1. pH <1	4 x 1 gal 5 gal 20 gal 35 gal 55 gal
6150	Citra Clean <i>Natural Cleaner & Degreaser</i>	Citra Clean is a natural citrus-based solvent cleaner/degreaser combined with a unique surfactant system. It emulsifies and holds heavy grease, oil, and animal fats into solution for quick removal. It instantly deodorizes as it cleans, leaving a fresh scent of citrus. Highly concentrated for economical use. pH 13-14	4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal
6200	Citra Clean RTU <i>Natural Cleaner & Degreaser RTU</i>	Same description as Citra Clean in a Ready-To-Use Formula.	12 x 1 qts 4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal
6250	Dominator <i>Heavy Duty Water-Based Butyl Degreaser</i>	Dominator is a complex, water-based formulation designed to effectively perform as a heavy-duty cleaner/degreaser. It is formulated with a chemical-penetrating emulsifier that reacts, suspends, and floats away stubborn greases and soils. It contains a special rust inhibitor that makes it safe to use on metal surfaces. Highly concentrated for economical use. pH 12.5-13.5	4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal
6300	Dominator RTU <i>Heavy Duty Water-Based Butyl Degreaser RTU</i>	Same descriptions as Dominator in a Ready-To-Use Formula.	12 x 1 qts 4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal
6350	Pride <i>Non Butyl Degreaser</i>	Pride is an advanced formulation with a unique controlled pH which provides outstanding cleaning power. This product quickly dissolves grease and oily soils while holding them in suspension so they may be lifted from the surface being cleaned. Pride contains a unique deodorant that removes foul odors leaving the cleaned area smelling fresh. pH 13	4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal
6400	Purple Power <i>Concentrated Powdered Vehicle Wash</i>	Purple Power is a versatile free flowing powder that is designed for use in manual pressure washing applications. This high-foaming, free-rinsing product provides excellent detergency that removes road film, insects, black soot, as well as other soils from all automotive surfaces. pH 1% solution - 11.5	50 lb 100 lb

INDUSTRIAL CLEANERS

CODE	PRODUCT	DESCRIPTION	PKG
6450	Slugger <i>OX Type Acid Cleaner & Delimer</i>	Slugger is a blend of strong acids is for really tough jobs. This special cleaner dissolves and removes rust, scale, lime, corrosion, excess concrete, mortar, and all water minerals. Great for etching concrete and metals and contains rust inhibitors. Should be diluted with water except for most severe applications. pH <1	4 x 1 gal 5 gal 20 gal 35 gal 55 gal
6500	Rig Wash <i>Concentrated Truck Wash</i>	Rig Wash is designed for use in pressure washers and this concentrate quickly removes dirt, oil, grease, road film, and exhaust from aluminum or painted surfaces. A special ionic detergent system eliminates the use of brushes or scrubbing. This product rinses free, leaving no film or residue when it is used as directed. It brightens aluminum surfaces without the use of acid. May also be used manually without pressure washer. pH 12.5	4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal
6550	Citrus Zone <i>100% Natural Citrus Solvent Cleaner</i>	Citrus Zone is a natural, organic, powerful, solvent degreaser and deodorizer formulated from the strongest of "Mother Nature's" organic solvents. This material contains distilled citrus plant matter. It's unique, multi-purpose formulation strips away grease and heavy oil deposits from virtually any surface. Furthermore, the product emulsifies instantly in water; therefore, it penetrates and liquefies resins and grease.	4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal
6600	Power <i>Extra Heavy Duty Concrete Cleaner</i>	Power is a blend of heavy duty detergents and abrasives. It provides thorough cleaning of oil, grease, and other heavy soils leaving a pleasant fragrance. Recommended for use on concrete, tile floors and walls. pH 12	50 lb 100 lb
6650	Tiger <i>Double Concentrated Foaming Degreaser</i>	Tiger is a complex, powerful, highly concentrated foam product that is formulated with penetrating emulsifiers that break down and suspend heavy greases and oils. Tiger is perfect for cleaning machinery, engines, factory floors, tools, chains, metal parts, and extremely tough jobs. It may be used for soaking in dip tanks. It is non-flammable, biodegradable, and does not contain petroleum distillate. pH 13	4 x 1 gal 5 gal 20 gal 35 gal 55 gal
6700	Spotless <i>Car & Truck Wash</i>	Spotless is an economical, liquid concentrate that contains a synergistic blend of special synthetic detergents, emulsifiers, and wetting agents. It quickly loosens and floats away dirt, dust, grime, insects, and road film on all vehicles. Spotless does not contain soap and will not dull, water spot or streak painted surfaces, windows or chrome. Highly concentrated for economical use. pH 9	4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal
6750	Amaze <i>Vehicle Wash & Wax</i>	Amaze vehicle wash and wax is an economical, liquid concentrate that cleans and polishes in one easy step while leaving a lustrous, hand-waxed, mirrored appearance. It quickly loosens and floats away dirt, dust, grime, insects, and road film. Amaze does not contain soap and will not dull, water spot or streak painted surfaces, windows or chrome. Highly concentrated, one ounce per gallon of water does the job! pH 7.5	4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal
6775	Rusty <i>Rust & Stain Remover</i>	Rusty is a ready-to-use natural and biodegradable product designed to remove rust and stains from surfaces such as concrete, pool decks, driveways, and sidewalks. Rusty utilizes the latest in acid replacement technology. With use of acid replacement technology, Rusty is able to perform like an acid, without having any of the harsh effects of an acid.	4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal

INDUSTRIAL CLEANERS

CODE	PRODUCT	DESCRIPTION	PKG
6800	Strip-It <i>Rinse Free Stripper</i>	Strip-it is a labor saving, very aggressive rinse free floor stripper. Strip-It is designed to be used to remove any floor finish including floors with excessive build-up and floors that have been buffed or burnished with ultra high-speed machines. Strip-It will not leave an alkaline residue, therefore no rinsing or neutralizing is required before re-coating.	4 x 1 gal 5 gal 20 gal 35 gal 55 gal
6875	Strip Ease <i>Non Ammoniated Stripper</i>	Strip Ease is a non-ammoniated floor stripper and cleaner. The unique chemical elements in Strip Ease quickly penetrate to dissolve layers of floor finish. Strip Ease has no harsh ammonia fumes. In addition, Strip Ease is very effective at cutting through grease, oil, and dirt and can be used with hot, cold, hard, or soft water.	4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal
6900	Recon <i>Condenser Coil Cleaner & Brightener</i>	Recon is a condenser coil cleaner and brightener. Recon is a fast acting formula that allows you to recondition even the most corroded condenser coils while they are still in place. Simply spray Recon directly on the coil to remove build up from corrosion, oxidation, encrustation, scales, and fallout that are preventing your cooling system from operating at its peak performance. Rinse thoroughly and the unit is ready for use. Using Recon as part of your maintenance schedule will extend the life of your unit and prevent costly downtime and replacement cost.	4 x 1 gal 5 gal 20 gal 35 gal 55 gal
6925	Quick Bright <i>Non-Acid Coil Cleaner & Brightener</i>	Quick Bright is formulated using the latest advances in technology to outperform acid coil cleaners without the negative effects of harsh acids. Quick Bright's outstanding penetrating action quickly removes corrosion, oxidation, encrustation, grease, and grime commonly found on aluminum coils allowing coils to operate at their peak cooling performance. After rinsing Quick Bright leaves a clean, bright surface that is free of energy robbing coil encrustations. Used with a routine maintenance schedule this product will reduce expensive downtime and replacement cost.	4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal
6950	Chillin <i>Chiller Coil Cleaner & Filter Treatment</i>	Chillin is a free rinse chiller coil cleaner & filter treatment. Chillin is designed to cut through accumulated soils, grease, lint, and other efficiency-robbing particles. Due to the condensation action of chiller coils, this product is self-rinsing allowing the coils to be cleaned in place. Using Chillin as part of a maintenance schedule will reduce operating cost and help avoid costly down time and replacement cost.	4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal
6970	Scale Buster <i>Lime & Scale Remover</i>	Scale Buster's unique formula is a 100% biodegradable product that is strong enough to effectively tackle that dreaded cleaning task of removing hard water stains and mineral deposits, yet it's mild enough to not damage the surfaces that harsher removers like hydrochloric, sulfuric, and phosphoric acids that can strip the protective finishes from porcelain, tile and even plumbing fixtures.	12 x 1 qts
6975	Strong Arm <i>Neutral pH Cleaner & Degreaser</i>	Strong Arm is an all-purpose cleaner & degreaser safe for use on all water safe hard surfaces. Strong Arm is formulated using 100% "Green Technology" approved ingredients. Strong Arm is not only non-abrasive, non-toxic and non-flammable but an excellent ready-to-use cleaner & degreaser. Strong-Arm is safe and effective on floors, walls, appliances, metal, plastic, fiberglass, and concrete.	12 x 1 qts 4 x 1 gal 6 x 1 gal
6980	Strong Arm II Concentrate <i>Neutral pH Cleaner & Degreaser</i>	Strong Arm II is a Concentrated neutral pH all-purpose industrial cleaner and degreaser safe for use on all water safe hard surfaces. Strong Arm is formulated using 100% "Green Technology" approved ingredients, so there are no abrasive, toxic or flammable ingredients to harm any type of surface. Strong Arm is a safe cleaner/degreaser lifting soil and oil from finished/Painted metals, plastic, fiberglass, and walls while being nearly scrub-free.	4 x 1 gal 6 x 1 gal 5 gal 20 gal 35 gal 55 gal

ODOR CONTROL

CODE	PRODUCT	DESCRIPTION	PKG
7050	Crush It <i>Molecular Odor Suppressant</i>	Crush It is a unique granular formula that destroys malodors in the air by attacking it at the source. It absorbs the odor and leaves a nice fragrance. A little Crush It goes a long way and provides instant results. Great for use in trash dumpsters, garbage bins and waste receptacles. To be used indoors and outdoors. Will not breakdown with liquids or water, but is biodegradable.	12 x 1.25 lb 25 lb 50 lb
	Gone <i>Extra Strength Odor Eliminator</i>	Gone is an extra strength odor remover chemically designed to permanently eliminate odors at their source. This product is formulated using targeted blend of specially cultured enzyme producing bacteria specifically designed for permanent odor elimination. Gone is effective at permanently removing odors from sources such as urine, fecal matter, spoiled or decaying food rodent and pest and much more. Use Gone on carpets, fabrics, automobile interiors, garbage collection trucks and bins, pet cages and pens agricultural production facilities, hotel/motel cleaning and odor control and disaster remediation.	12 x 1 qts
3210	<i>Citrus</i>		
3230	<i>Linen</i>		
	Eliminator <i>Triple Concentrated Odor Eliminator</i>	Eliminator is a concentrated formula that eliminates airborne odors and neutralizes the most offensive odor problems. It actually encapsulates the odor molecules and chemically neutralizes them. A single spray of this powerful concentrate neutralizes malodors for up to 24 hours. Furthermore, it provides a wide range of possible applications due to its effective 3-way action: As a space spray, as a contact spray, and as an evaporative deodorizer.	12 x 1 pts
7100	<i>Citrus</i>		
7130	<i>Plumeria</i>		
7140	<i>Fresh Linen</i>		
7145	<i>Fall Nights</i> <small>NEW</small>		
7150	<i>Fresh Apple</i>		
7191	<i>Cantaloupe</i> <small>NEW</small>		
7180	<i>Lavender</i>		
7192	<i>Coconut</i> <small>NEW</small>		
7193	<i>Lemon</i> <small>NEW</small>		
7325	<i>Pumpkin</i>		
	Battle <i>Smoke Odor Eliminator</i>	Battle is chemically designed to eliminate smoke odors at their source. Smoke and other strong odors get trapped deep into fabrics and other textiles. Other products attempt to cover-up these odors allowing the odors to resurface. Battle is chemically designed to penetrate the surface and attack the source of the odor to Battle it for good.	12 x 1 qts
7400	<i>Original</i>		
7410	<i>Calming Waters</i> <small>NEW</small>		
	Knock Out <i>Cannabis Smoke Odor Eliminator</i>	Knock Out eliminates unpleasant odors left behind from cannabis smoke. Knock Out works through a two-fold process. This product contains a new generation fragrance that will reconfigure the malodors so the human senses do not detect the obnoxious smell. This product will continue to work through a microbial process that absorbs odor molecules and terpenes leaving the treated surfaces with a fresh clean fragrance.	12 x 1 qts

9050	Sure <i>Sure Absorbent Deodorizer</i>	Sure is specifically formulated to absorb, solidify and deodorize potentially hazardous liquids. It will absorb blood, vomit, urine; virtually any liquid. It effectively absorbs up to 100 times its weight in just seconds! Sure eliminates the need for mops, towels, or rags. Just pour it on and scoop it up. No mess, non-toxic, biodegradable and can be disposed of easily.	12 x .5 lb
9100	Beat It <i>Granular Insect Repellent</i>	Beat It is a unique, all natural formula blending Citronella into a long lasting granular product. To be used in areas where odor causing waste attracts insects or can be spread around grass or shrubs to keep insects away from humans and animals. This product is Non-hazardous and 100% Biodegradable.	12 x 1 lb 25 lb 50 lb
9125	Ice Buster <i>Granular Snow & Ice Melter</i>	Ice Buster is a blend of granular chemicals that work fast and last longer than most ice melting products. This product contains an anti-caking agent that prevents hardening in storage. The green color allows for uniform distribution and coverage of the product. Ice Buster will not track or stain carpeting or floors.	50 lb 100 lb
9200	Liquefy <i>Liquid Ice Melter</i>	Liquefy is a liquid snow and ice melt that is effective in preventing freezing on walks, driveways, intersections, culverts, bridges, ramps, loading docks, and anyplace that snow and ice is a problem. In addition, Liquefy can be used to help melt snow and ice on equipment. Spray or pour on sand to help prevent freezing and caking. Liquefy improves thawing qualities and allows for better traction. pH 9-10	4 x 1 gal 5 gal 20 gal 35 gal 55 gal
9250	Luster <i>Metal Cleaner, Polish & Protectant</i>	Luster is designed to quickly restore original luster and glow to all metals. It cleans, polishes, and preserves. Luster can be used safely on brass, copper, chrome, aluminum, silver, and stainless steel. Does not leave a messy, powdery residue. pH 9-10	12 x 1 pts
9300	Guard <i>Invisible Laminated Protectant</i>	Guard is an invisible coating that inhibits ultraviolet rays, extends the life of material, blocks out moisture, and beautifies the original luster and color. It provides a rock-hard, invisible, laminate finish that is long-lasting. Use Guard to protect against marks, adhesives, scuffs, and marking pens. Guard will also prevent most graffiti from penetrating into painted surfaces. pH 13-14	12 x 1 pts
9400	Nickel Safe <i>Ice Machine Cleaner</i>	Nickel Safe is a non-foaming, non fuming cleaner that quickly removes scale from stainless steel and nickel-plated steel. Contains special inhibitors to minimize corrosion, while effectively cleaning scale from all metal surfaces. Removes built-up lime scale elimination the cause of equipment jamming and improves ice quality and capacity.	12 x 1 pts
